

Basic Sex Offender Specialist Interview Course

Presenter: Joe Sullivan, PhD of Forensic Training Solutions

Presented By: The Center for Children, Inc.

This comprehensive specialist interviewing course has been specifically designed using videos and in depth case studies to enhance the skills and knowledge of professionals who interview sex offenders of children in the course of law enforcement investigations, child protection evaluations and risk assessment and/or management of sexual offenders. For the first time, professionals working in these challenging environments can undertake a program of study that will introduce participants to a tried and tested methodology for developing, preparing and implementing effective interview strategies with perpetrators of child sexual abuse in both online and offline environments.
