

# 'Just Looking?': Evaluating Risk in Online Behavior

**Presenter: Joe Sullivan, PhD of Forensic Solutions**

**Presented by: The Center for Children**

The course teaches participants to:

- Identify the potential applications of behavior analysis in working with offenders who use technology to facilitate offending
- Identify the key issues in 'image based child sexual exploitation
- Use behavior analysis tools in analyzing evidence in child sexual exploitation cases
- Identify the key risk factors in cases involving indecent images of children
- Understand how women use technology and internet to facilitate the sexual exploitation of children
- Recognize 'chat based' child exploitation and online grooming behaviors
